power and training, disaster linkage, and transportation and patient transfer.

The draft budget will be submitted to the State Health Department and become a part of a statewide application to be submitted to Department of Health, Education and Welfare on April 1.

Prior to that time, the committees are expected to review and revise the proposal somewhat within their respective realms of authority.

The Emergency Medical Services Advisory Council, was formed as an advisory body to the Central Virginia Health Planning Council and charged with creating a plan for the future development and coordination of Emergency Medical Services in Planning District II.

The Planning Grant under which it is funded will expire on June 30, 1976. Ms. Betsy P. Rowbottom is the project coordinator for the EMS Advisory Council.

BASEBALL REGISTRATION

The Appomattox County Youth Association will hold baseball registration, February 28 at 4:00 P.M. for ages 8 - 15 at the Appomattox Middle School gym (old high school). All Oakville and Pamplin youth should be at this registration. All new registrants must bring a photostatic copy of their birth certificate and a $3.00 fee. Players should return uniforms at this time also.

The league is in need of coaches for the Oakville team. Also needed are umpires. If you have any interest in these areas, please contact Dickie Smith, Nelson Mann, Fred Weakley or attend our registration.

A parent must accompany each registrant.

FARM BUREAU OPPOSES TOBACCO TAX INCREASES

Appomattox County Farm Bureau opposes all tobacco tax increases, especially those on cigarettes, according to James Rosser, County Farm Bureau president.

Five cigarette tax bills were introduced to the General Assembly by Feb. 9, the last day to introduce new bills.

Several of these bills call for a statewide increase from two and one-half to seven and one-half cents per pack statewide with two cents per pack returned to the localities.

A Senate bill would allow a five cent tax to be imposed in Prince William, Loudoun, Manassas, and Manassas Park.

"We are urging our members to contact their senators and delegates immediately to express their opposition to tobacco tax increases. These increases will have a damaging effect on Virginia tobacco farmers and the entire tobacco industry," stated James Rosser.

At a House of Delegates public hearing in Richmond earlier this month, across-the-board opposition to tobacco tax increases was shown as farmers, factory workers, manufacturers, and wholesalers jammed the hearing room and outside hallways.

James Rosser emphasized that tobacco products already are heavily taxed across the United States.

"The federal government imposes a cigarette tax, all 50 states tax cigarettes, and 365 local governments have cigarette taxes," he said.

"Cigarette taxes generated a total of $5.734 billion at federal, state and local levels in fiscal year 1975," stated James Rosser, "and now the Virginia farmer faces another tobacco tax increase."

"The livelihood of farmers, factory workers, distributors, wholesalers, and retailers will be affected by these unjust and selective taxes," he said.

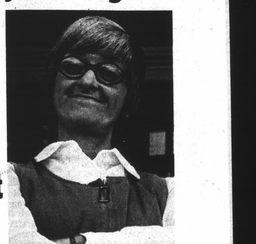
"My daddy taught me two things. Milk a cow from the right, and save at Lynchburg Federal. Now Lynchburg Federal's up and changed to American Federal. I sure hope Bossie doesn't get any big ideas."


What's the big idea behind our name change?
Well, it's simple. Lynchburg Federal has grown to cover a lot more than Lynchburg.
And, besides, the nation's 200th birthday seemed like a nice time for us to go American.
But some things you don't tamper with. Our savings rates are as friendly as ever and so are our people. So come see us.
If anything, we're a little friendlier now that we're making a new name for ourselves.
